Home Care Association of New Hampshire and HCIN Present

ICD-9-CM Code Updates: What You Need to Know

Featuring RBC Limited's Trish Tulloch

And with HCIN's award-winning video streaming technology, EVERYONE that needs to know – now and throughout the year – can access the training with NO INCREMENTAL COST!

You know how important it is to provide quality training to your staff, particularly when it comes to coding. Now you can do so at an extraordinarily affordable price.

Over the past two years, over 40,000 clinicians and administrators have realized the quality, convenience and affordability of HCIN's online training programs.

- Unlimited access for current staff and new hires for one full year
- Accessible from the home or office at any time....**no driving or scheduling hassles**
- Complete a test online and receive continuing education credits immediately

Exactly how affordable is it?

If your agency has a single office, you can get a full year of unlimited access to this seminar for all of your staff for only \$179. If you have more than one site, you'll pay just \$100 more for each additional office.

Our special price of \$179 is nearly 30% less than we sold this program for last year. What else can you name that has gone down in price over the last 12 months?

Order Now and Save

To take advantage of this special offer, complete the information on the back and fax your order to HCIN at 262-692-3590. If you have questions, please contact us at info@homecareinformation.net or at 866-436-7047.

Give me more details on the course content

HCIN brings Trish directly to your staff in a 90-minute seminar that will debut on September 25, 2008. The new and revised 2009 ICD-9-CM codes have been posted, and there are multiple additions, revisions, and deletions that may impact accurate home care coding and billing.

Tell me about the presenter
